

MESSAGE FROM ILO STAFF UNION

15 MARCH 2018

Dear colleagues,

We have just learned that our UN colleagues have received a <http://www.ilostaffunion.org/2014/wp-content/uploads/2018/03/Moller-message.pdf> from their Director, Mr Møller, reminding them of their obligations as international civil servants.

<http://www.ilostaffunion.org/2014/wp-content/uploads/2018/03/Reponse-%C3%A0-Moller.pdf> of the Coordinating Committee for International Staff Unions and Associations (CCISUA) was quick and they are continuing the referendum process to go on strike.

We express our solidarity with our colleagues in the United Nations so courageous in continuing their struggle!

The right to strike is legitimate and it must be exercised without giving way to pressure!
