Subject: FW: Letter to SG- Geneva salary

Dear Ms Chaoui,

The Secretary-General asked me to acknowledge receipt of your message of 12 July.

As you will be aware, the UN Secretariat and the funds and programmes which fall under the UN system of administration of justice operates under its own jurisprudence rather than that of the ILO Administrative Tribunal (ILOAT).

You will also be aware that the same issue is under consideration by the UN Dispute Tribunal (UNDT). Accordingly, the future steps to be taken with respect to the payment of Geneva post adjustment, if any, will depend on the outcome of proceedings in the UN administration of justice system.

Sincerely,

Arnab Roy
